

Addendum No. 2
2024 Rental Car RFP

Avis/Budget

Page 3 of the RFP states that proposals will be received until 3:00pm 4/10/24. However, the cover page of the RFP states that they will be "received and opened" at 10:00am on 4/22/24. Can you clarify which is the correct deadline?

Assuming that the due date for proposals is 4/10/24, that would mean that you must receive our submission six days after the deadline for the final amendment to the RFP. If so, this results in an impossibly tight timeline. Not only must we mail the completed proposal to Pullman several days before the deadline to ensure it arrives on time, but we are also losing two days because April 6th and 7th fall over a weekend. Taken together, this means that we may have only 24 hours after the final amendment is issued to complete our submission. Needless to say, this is unworkable (especially for a company that has key decision makers located across the country like ours). As such, we request that the deadline for submitting proposals be pushed back to April 19th.

Sealed proposals will be received by the Pullman-Moscow Regional Airport Board at the Pullman- Moscow Regional Airport Administration office, 3200 Airport Complex N. Pullman WA, 99163 until 3:00 PM, Local Time, April 22, 2024. The proposals will be considered at a later regular meeting of the Pullman-Moscow Regional Airport Board.

Also, separate topic, but I forgot to ask you last week if we have access to a share of market report or if that is a report that PUW may still publish? I have seen one in the past, but was from a very long time ago. Is there a way that we can be added to a distribution list if this is still being published?
